- Mowing, strimming, pruning, weeding, and planting
 - Operating and maintaining gardening tools and machinery
 - Assisting with planting and garden design projects
 - Ensuring plant health through proper care
 - Collaborating with a team to meet project deadlines
-

About You:

We're looking for someone who is:

- Enthusiastic about working outdoors
- Reliable, proactive, and physically fit
- A team player with great attention to detail

Preferred (but not essential):

- Basic knowledge of garden maintenance
 - Experience with petrol mowers, strimmer's, hedge cutters
 - A full clean UK Driver's licence. Vehicle provided for the right candidate.
-

What We Offer:

- Competitive salary and benefits
- Full PPE, tools, and equipment provided
- Supportive and friendly team
- Training and career progression opportunities
- Potential for permanent employment after probation period
